

KING AIRE

2018 LUXURY MOTOR COACH

LIGHTING THE WAY
FORWARD

At Newmar, our first 50 years have taught us that the brightest futures are realized by those willing to blaze a new trail. Lead rather than follow. And reject cookie-cutter imitation in favor of cutting-edge innovation. That's why we are committed to spending the next half century creating handcrafted motor coaches that go above and beyond their batch-built competition. Coaches designed and engineered to help you live the RV lifestyle to the absolute fullest. Join us, and discover the Newmar difference for yourself.

Matt Miller, President

INNOVATION THAT PUTS YOU

IN COMMAND

Representing the pinnacle of over-the-road luxury travel, King Aire combines world-beating performance and comfort with leading-edge safety features like a lane-departure warning system, electronic stability control, tire pressure monitoring and available adaptive cruise control with collision mitigation technology.

RELISH THE ROYAL TREATMENT

Atop hand-laid porcelain plank tile lies Villa® Ultraleather furnishings, including heated and cooled captain's chairs with an optional massage feature. Two 10-inch touchscreens offer 360 degrees of outward visibility, while large side windows let in even more light. For your entertainment, a retractable Sony® 4K UHD TV is paired with a Bose® Sound Touch 300 soundbar.

THE NEWMAR CUSTOMER EXPERIENCE

The Newmar Difference goes beyond our industry-leading motor coaches to deliver you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 quality checks before ever leaving the Newmar factory.

SEAMLESS SERVICE

Available 24/7, our service specialists guarantee dealer repair authorization within four hours, and all in-stock parts ship the same day, free of charge. If a part is out of stock, we'll pull it from our production floor or order the part from the appropriate vendor right away.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through **Newgle**, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

ROCK-SOLID WARRANTY COVERAGE

All models include a 1-year/unlimited mileage limited warranty and a 5-year, non-transferable structural warranty that covers your vehicle's superstructure in the event it fails to perform. Ask your Newmar dealer for details.

FRIENDS FOR LIFE

Join Newmar and meet fellow owners through the **Newmar Kountry Klub**, a top social club for RV travelers. Or, connect using the world's only social sharing network created for RVers, by RVers — **RoadLens.io**.

Spartan Motors

An American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which deliver superior performance, exceptional safety ratings, and industry-leading technology.

THE NEWMAR LEGACY

50 years, built one by one.

Driven to engineer and build the highest-quality RVs the world had ever seen, Marvin Miller and Marvin Newcomer founded Newmar Corporation in 1968.

The pair set up shop in the small Midwest woodworking town of Nappanee, Indiana, where they discovered the people who would establish Newmar as a leading RV manufacturer over the next half century. Artisans and engineers, product designers and quality-control experts to whom being the best is more important than being the biggest.

As we move toward 100 years as a company, our products will continue to evolve. But one thing that will never change is our commitment to hand-crafting excellence, one coach at a time.
